Programme driven by: MIC Driven Activity, Institute Innovation Cell, CMP Degree College, Prayagraj

About the Event :

Under the joint collaboration of Institute Innovation Cell, Department of Chemistry of CMP Degree College and Vijnana Parishad Prayag, Prayagraj, a one-day National Seminar on “Recent Innovations in Science and Technology” was organized in Dr. Pyarelal Srivastava Auditorium of CMP Degree College. Professor Vandana Singh, Head of Department of Chemistry, University of Allahabad, as the chief guest in the program said that today the whole world has become a global village. India will also have to register its presence with the help of science and technology. While presiding, Professor K.B. Pandey, former chairman of the Public Service Commission, said that science and technology will have to be used for the welfare of living beings. Dr. Dhananjay Chopra, Director of the Media and Studies Center of Allahabad University delivering his lecture in very interesting way about artificial intelligence. By the positive use of Robot a new revolution can be bought in every arena. In continuation of celebration series, the celebration ceremony and the address of PM Modi on Akhil Bhartiya Shiksha Samagam and NEP’s 3rd Anniversary online available video was also played and conducted in Hybrid mode in the College on August 21, 2023. In which our Hon’ble Prime Minister of India addressed the Akhil Bhartiya Shiksha Samagam and said, “**The fate of the Country can be changed through Education**”.
